Explanatory Notes

Question H2 – Does your household own or rent your accommodation?
If you rent your accommodation (box 3), or live in it rent free (box 4), you should also answer the second part of the question ‘who is your landlord?’ When selecting your landlord, if you are a private rented tenant, (where your landlord may be a private individual or company), you should mark box 1, ‘Private landlord’. If you are a tenant of a county council or city council, also called a local authority, you should mark box 2, ‘County Council or City Council’. If you are a tenant of a housing association, also called voluntary housing body or Approved Housing Body (AHB), or you are a tenant of a housing co-operative, you should mark box 3, ‘Housing Association/Housing Co-operative’. This is regardless of whether or not you pay all or part of the rent yourself, or if it is paid on your behalf by the HSE or any other body.

Question H4 – If your accommodation is rented, how much rent does your household pay?
If the HSE or any other body pays part of the rent, only the portion paid by the household should be entered. Enter the amount to the nearest Euro and mark the box corresponding to the period covered, e.g. if your household pays a weekly rent of €78.60 enter 79 and mark box 1. If all of your rent is paid on your behalf enter 0 and mark box 1.

Question 4 – Relationship
The relationship question is used to determine families within households, including where there are two or more families in the one household. Cohabiting couples who are not married should tick the category ‘Partner’ (including same-sex partner).

The example below shows how the question should be answered for a grandchild, where the grandparents are Persons 1 and 2, their adult daughter is Person 3 and her child is Person 4.

Question 7 – Where do you usually live?
This question refers to your place of usual residence at the time of the Census Pilot. If you have lived at this address for a continuous period of at least 12 months before Census Pilot Night, or have arrived at this address in the 12 month period before Census Pilot Night with the intention of staying here for at least one year you should mark box 1 (HERE at this address). If your usual residence is not here but is elsewhere in Ireland (including Northern Ireland) you should mark box 2 and write in your full address.

The general guideline is that a person’s place of usual residence is where he/she spends most of his/her daily night rest. The following specific guidelines should be used:

- Persons away from home during the week who return to the family home at weekends – the family home is their place of usual residence.
- Primary and secondary students who are boarding away from home and third level students at college or university – the family home is their place of usual residence.
- If a person has spent or intends to spend 12 months or more in an institution – the institution is their place of usual residence.
- Persons who regularly live in more than one residence during the year – the place where they live for the majority of the year is their place of usual residence.

Question 9 – Where did you usually live one year ago?
This question is for persons aged 1 year or over. The guidelines in relation to Question 7 also apply to this question. If your place of usual residence one year before the Census Pilot was the same as now you should mark box 1 (SAME as now).

Question 11 – What is your country of citizenship?
If you have more than one country of citizenship, please declare both. If you have dual Irish citizenship (e.g. through participation in a citizenship ceremony), please mark boxes 1 and 2 and write in your second citizenship. See below for example. If you have dual non-Irish country of citizenship, you should mark box 2 and write in both.

1 = Ireland
2 = Other CITIZENSHIP write in

Question 12 – What is your ethnic group/background?
If you do not feel that the options in sections A to C adequately describe your ethnic group/background, you should mark box 9 or 10 and write your ethnicity into the boxes provided. See below for example.

9 = Mixed, write in description
10 = Other, write in description

Question 16 – Do you have any of the following long-lasting conditions or difficulties?
For the purpose of this question a long-lasting condition or difficulty is one which has lasted or is expected to last 6 months or longer or that regularly re-occurs.

Question 25 – Do you provide regular unpaid personal help or support to a family member, neighbour or friend with a long-term illness, health issue, an issue related to old age or disability?
If you provide regular unpaid help as a carer, regardless of whether or not you are in receipt of Carer’s Allowance/Benefit, you should mark box 1 (Yes) and write in the weekly number of hours of caring.

Question 29 – What is the highest level of education/training (full-time or part-time) which you have completed to date?
The categories distinguished in this question follow the National Framework of Qualifications (NFQ). Further details can be found at www.QQI.ie.

Question 30 – How would you describe your present principal status?
You should mark one box only to select the category which you feel best describes your present principal status. If you are on sick leave or maternity leave and intend to return to work at some stage you should mark box 1 (Working for payment or profit).

Question 38 – Address of place of work, school, college or childcare
Persons who leave the household to attend work, school, college or childcare should supply the full name and address of this place.

For children who attend pre-school facilities (e.g. childcare, crèche, kindergarten) outside the home, the full name and address of this facility should be supplied by the person filling in the form.
